Communities Compete to *RECYCLE MORE*

From Oconomowoc to Lisbon, from Pewaukee to Dousman, families are taking the challenge to “*RECYCLE MORE*”.

The goal is to increase tons recycled by 5% in each of the 25 municipalities* * participating in Waukesha County’s recycling program.

“By increasing recycling, people will help their communities increase the rebates received from the County recycling program, and keep taxes down,” said Karen Fiedler, county solid waste supervisor. “Everyone can participate by recycling more paper, bottles and cans.”

To be sure that you are putting only acceptable items in your recycling bin, visit www.waukeshacounty.gov/recycling and click on “What do I recycle” or call 896-8302 for a printed recycling guide. If you need a free second blue bin to hold all your recyclables, call your town, city or village hall.
